

# BACKGROUND

Makosi is a boutique consultancy providing tactical support, innovative technologies and advisory services to a range of industries. Having supplied Project Management solutions since 2000, the Makosi Group has grown from pure Project Consulting to providing Financial Markets Operations support and advisory, Business Intelligence Consulting and specialized Financial Staffing services.

Amidst an environment of fast paced change and budgetary constraints, Makosi continues to partner with firms to deliver flexible and tailored solutions. Our rich bloodline in Project Management consulting alongside extensive knowledge via our Subject Matter Experts in their chosen fields allows Makosi to present a compelling offering that delivers both on quality and cost and can range from full PMO implementation to interactive PM dashboards or skilled Project Managers.
